We give no warranty, expressed or implied, as to description, quality, productiveness or any other matter of any seeds, bulbs, plants or trees we send out, and we will not be in any way responsible for the crop. Terms, Cash With Order

**Safe Carriage
Guaranteed**

We guarantee that all bulbs shall reach our customers safely, and that they shall be of good quality. If bulbs are lost in transit, or are not good, we will either replace them or refund the money, at our option.

**Claims for
Damage**

Claims for damage, must be made immediately on receipt of the bulbs or plants.

**Quality of
Bulbs**

Our bulbs are of superior quality, and it is our aim to sell only the best.

**Date of
Shipment**

All California bulbs should be planted either in fall or early winter, if the best results are desired. Very few can be kept in good condition later than January 1. We will not fill orders for Erythroniums later than December 1, and after January 1, we can supply only Lilies.

**Expressage,
Postage or
Freight Free**

In every instance we deliver all goods free of carriage charges within the United States. Under the postal regulations, we can ship 11 pounds by post to Great Britain, Germany, Holland and some other countries. We can pack any order in parcels within these weights, and will, in every case, pre-pay postage and guarantee safe delivery. The post is both cheaper and more rapid for foreign shipments.

Prices

Quotations are for one and per dozen. Six will be sent at dozen rates.

**If Varieties Are
All Sold**

Unless forbidden in your order, we reserve the right to send you equally good sorts and better value than you asked for, when a stock is exhausted.
